The **Insurer** will only make payment under this Policy if the **Policyholder** has complied with the terms and conditions of this Policy.

2. Cancellation

Qdos shall not be bound to accept renewal of any insurance and may at any time cancel any insurance document by giving 30 days notice in writing where there is a valid reason for doing so. A cancellation letter will be sent to the **Policyholders** last known address. Valid reasons may include but are not limited to:

- a) Where fraud is reasonably suspected
- b) Non-payment of premium
- c) Threatening and abusive behaviour

Where investigations provide evidence of fraud or a serious non-disclosure, **Qdos** may cancel the policy immediately and backdate the cancellation to the date of the fraud or the date when **Qdos** were provided with incomplete or inaccurate information, which may result in the policy being cancelled from the date the policy was originally taken out.

If **Qdos** cancel the policy and/or any additional covers **Qdos** will refund any premiums paid for the cancelled cover, less a proportionate deduction for the time the **Policyholder** was on cover, unless the reason for cancellation is fraud and/or the **Insurer** is entitled to keep the premium under the Insurance Act 2015.

3. Disputes

If there is a dispute between the **Policyholder** and **Qdos** or the **Insurer**, all parties shall agree to the appointment of a suitably qualified arbitrator to decide the matter in accordance with the Arbitration Act 1996. If there is no agreement on an arbitrator, an appropriately qualified person shall be appointed by the President of the Chartered Institute of Arbitrators.

The arbitrator shall have the power to apportion costs. The **Policyholder's** costs in preparation for and representation at meetings with the arbitrator shall not be recoverable under this Policy.

4. Insolvency of the Policyholder

5. Minimising Claims or Legal Proceedings

The **Insurer** may restrict the amount claimed if the **Policyholder** has not:

- (a) Taken all reasonable steps to minimise the cost and effect of any enquiry or dispute involving HMRC.
- (b) Observed the requirement of taxpayers to maintain records as required under the self-assessment regulations and, in the case of a corporate **Policyholder**, maintain records and books of account in accordance with the Companies Act and for VAT, maintain records in accordance with Schedule 11 of the VAT Act 1994 and the Value Added Tax Regulations 1995.

6. Offers of Settlement

Where the **Policyholder** rejects an offer of settlement, which the **Insurer** or **Qdos** deems to be reasonable, the **Insurer** reserves the right to remove or restrict any further payment of **Professional Fees**.

7. Capital Gains Valuations

Where a valuation is required as a result of an enquiry involving Capital Gains, the **Insurer** reserves the right to limit fees relating to a qualified valuation specialist to no more than £250 where the tax return in question was submitted without a proper valuation being carried out by a suitably qualified person.

8. Prepared or Submitted

Where a **Policyholder's** most recently submitted tax return has significant mis-statements or omissions, any claim as a result of an enquiry into that return may be restricted by **Insurers** to an amount that would have been payable had there been no significant mis-statements or omissions, the **Policyholder** will then be liable for the difference in **Professional Fees**.

9. Governing Law

Unless some other law is agreed in writing, this policy is governed by English law. If there is a dispute, it will only be dealt with in the courts of England or of the country within the United Kingdom in which the **Policyholder** is domiciled.

Claims conditions

1. Prospects of Success

Professional Fees will only be covered under this Policy provided that there are reasonable grounds for representation of the **Policyholder** and provided that **Qdos** is satisfied that there are reasonable prospects of achieving a satisfactory outcome in the enquiry or dispute and that it is reasonable to incur **Professional Fees**.

Reasonable prospects of achieving a satisfactory outcome exist if:

- a) On the balance of probabilities, there is a 51% or greater chance of successfully pursuing or defending a claim; and
- b) The benefits likely to be obtained by proceeding with the claim justify the likely costs.

Provided that **Qdos** has managed the dispute from inception, and having regard for prospects of success as above, cover will be provided up to and including **Professional Fees** incurred in respect of preparation and representation of the **Policyholder** at a First-tier tribunal hearing, Upper Tribunal hearing and an appeal following a First-tier or Upper Tribunal decision. Where there is statutory right of appeal to a Tax Tribunal, cover will be provided for an application for a Judicial Review.

If **Qdos** is not satisfied that there are prospects of achieving a satisfactory outcome in the enquiry or dispute **Professional fees** will not be incurred. If the **Policyholder** proceeds with defence at their own cost, and is unsuccessful, the **fees** incurred in doing so will not be covered. If the **Policyholder** proceeds with defence at their own cost and is successful, then the **Insurer** may indemnify the **Policyholder** for the costs incurred, provided the fees are

reasonable and proportional, and subject to the terms and conditions of this Policy. **Professional Fees** will cease if facts become known which mean that a particular claim would not have been accepted under the terms and conditions of this Policy. If the **Policyholder** makes a fraudulent or false claim, this Policy shall become void, any premiums shall be forfeited and any indemnity paid shall be recoverable by the **Insurer**.

2. Duty to Notify

The **Policyholder** must advise **Qdos** any **Insured Event** as soon as possible and always during the **Period of Insurance** or **Notification Period**.

3. Fraudulent claims

The **Policyholder** must not act in a fraudulent way. If the **Policyholder**, or anyone acting for the **Policyholder**:

- fails to reveal or hides a fact likely to influence whether **Qdos** accept the proposal, renewal, or any adjustment to the policy;
- fails to reveal or hides a fact likely to influence the cover provided;
- makes a statement to the **Insurer**, **Qdos**, or anyone acting on our behalf, knowing the statement to be false;
- sends the **Insurer**, **Qdos**, or anyone acting on our behalf a document, knowing the document to be forged or false;
- makes a claim under the policy, knowing the claim to be false or fraudulent in any way; or
- makes a claim for any loss or damage caused deliberately by or with the **Policyholder's** knowledge.

If a claim is in any way dishonest or exaggerated, the **Insurer** will not pay any benefit under this policy or return any premium to the **Policyholder** and the **Insurer** or **Qdos** may cancel the policy immediately and backdate the cancellation to the date of the fraudulent claim. The **Insurer** may also take legal action against the **Policyholder** and inform the appropriate authorities.

4. Initial Acceptance

In the event of a likely claim:

- a) The **Policyholder** will complete a claim form and return it to **Qdos** together with any relevant information.
- b) **Professional Fees** may be incurred up to £250 prior to receiving a completed claim form.
- c) When the full claim form is received **Qdos** will advise whether there are reasonable prospects of success and a claim has been accepted.

5. Information and Particulars

Qdos will be entitled to obtain from the **Policyholder** or their **Agent or Representative** any information or particulars, whether privileged or not, relating to a claim. On request the **Policyholder** will give their **Agent of Representative** any instructions necessary to secure the required access.

6. Recovery of Costs

Where it is possible for the **Policyholder** to recover costs from the relevant authority following the successful defence of a claim, the **Policyholder** must take all steps necessary to recover such costs and must in turn return any indemnity paid to the **Insurer** or **Qdos**.

7. Settlement by Insurer

Where **Professional Fees** are likely to exceed the duties that are being claimed against the **Policyholder**, the **Insurer** may pay the **Policyholder** a sum equivalent to the duties in lieu of **Professional Fees** or further **Professional Fees**.

8. Value Added Tax

The **Insurer** will not be liable to pay any VAT charged for **Professional Fees**, where such VAT can be paid and recovered from HMRC by the **Policyholder**.
